E F 3. Letter No. 1032/P&A 6771-106 d. 13th August 1903 from the Comptroller to the Govt of Mysore, reporting on the gratuity application of Chokkalingam Pillai.

Chokkalingam Pillai was formerly a Police Inspector in this State and retired on a pension of Rs 21-10-8 per mensem. When a Stamp manufactory was established in 1895, he was appointed Supervisor

Supervisor thereof on Rs 60/- p.m. from 2
4th April 1895. In that manufactory
he continued to serve till 4th May
1903 when he was retired from Servic
on account of certain charges of
& misbehaviour brought against him
Subsequent to his retirement, he has
addressed one petition to the Secretary
to the Govt Gl and Rev: Deptt and
a memorial to H. H. the Maharaja
In the former he alludes to a former
petition of his dated 19th May 1902
and prays that his request therei
made to favour him with an
increased Salary so as to entitle
him to a pension of Rs 60/- per mens
-sem may be granted and if
this is not feasible to grant him
as a Special case a pension of
Rs 60/- though not the increase.
In the latter, (the memorial) he
reiterates the same requests ie
a Special pension of Rs 60/- and
an enhanced pay with effect
from the end of the probationary
period of 6 months after his apptt.

The

The same requests he had made in his several memorials to Govt. submitted prior to the one of the 19th May 1902. To all these memorials Govt. replied that the requests contained therein were extraordinary and unique and were therefore rejected. (Please See No. 1550*5 / 1813/03 to the — Office in ch. of the Stamp — Manufacture) Besides these requests he had also asked Govt. to show some patronage for his publications such as "Police Directory" and "Companion to the Police Manual" Govt. had consulted the Chief Court and the I. G. of Police. In the meantime Chokkalingam Pillai again urged his requests as regards his emoluments and pension in his petition* dated 19th May 1902, through the — Officer in charge of the Stamp Manufactory. In reply to this petition which is alluded to in the

the petition came before Government for orders, Govt simply stated that they would purchase some copies of his publications and left untouched his other requests owing probably to their unique and extraordinary nature and the fact that final orders were passed in

2. In the Government Order No. 76-7 / G.J. 3-96 dt. 8th July 1903 Severe notice is taken of the conduct of Chokkalingam Pillai and it is stated that he has been retired from Service "in consideration of the fact that he is very old being 65 years of age and that being already in receipt of a pension from the State he may lose it if he is dismissed the Service". In these circumstances Chokkalingam Pillai's request cannot be taken into consideration. For the 8 years' service rendered

rendered in the Manufactory he is entitled to a gratuity of Rs 36/12/- as reported on by the Comptroller. A draft ~~order~~ order sanctioning this amount and an endorsement to Chokkalingam pillai are subs for orders.

The amount of gratuity allowable is trivial. But seeing under what circs Chokkalingam Pillai was retired, I do not suppose that Govt could be expected to be slight in showing him any extraordinary concessions.

Chokkalingam Pillai in my opinion entitles only to the gratuity admissible to him under the Service Regulations. His case is not a case in which any special consideration is deserved. He seems to have an extravagant idea of the value of the services he has rendered for the last three Govts. In my humble opinion the claim is untenable.

ABSTRACT

In continuation of his petn dated 19-5-02, the petr. submits that, in 1895, he abruptly left his appointment in the Madras Presy, depending on the letters of the then Councillors of this State who, holding out bright prospects to him asked him to join the service of this State and work in the Govt. Stamp manufactory.

MGCPB—5,000—10-11-02

That he worked to the entire satisfaction of his superiors and made much improvement in the said manufactory.

That to deny him the special pension he asks for, is not fair on the part of the Govt., since he lost all his prospects in the Govt. of Madras by abruptly leaving service there.

He, therefore, prays that his salary may be fixed at the pay of any of the classes he mentioned in his former petn., so that he may be enabled to draw his pay & prospectively to earn a pension of Rs. 60/- per month.

He quotes two similar cases in which the Govt. have shown concession

Sir,

In continuation of my Petition dated 19th May 1902 I beg respectfully to submit that as I am now retired from the Stamp Manufactory, which I was sent for (as per enclosure No 1) to join in April 1895, very much turns upon the Government being so graciously pleased as to pass favorable orders on my petition in which I have prayed that my salary may be fixed at the pay of any of the classes mentioned therein to enable me to draw the same retrospectively to earn a pension of Rs 60/- per mensem (as per enclosure No 2) for having worked up with great improvements the special, technical and mint like Department and for having supplied the stamps required throughout the Province as per several urgent indents that were long pending compliance without any hitch whatsoever and to the entire satisfaction of my Superiors (as per enclosures Nos 3 and 4). If my said prayer be not granted, allow me to submit, the Government will be sending me away none the better for having left my then progressing Police and Magistracy Journal and Printing business (as per enclosure No 5) on the strength of the kind letter of two Councillors which held out to me hopes of a bright future dependent only on good work for a period of but six months and further for having served for no less than 8 long years in a situation which has been as responsible and skill involving. My having abruptly left all my progressing business at the call of the Councillors, has, I submit, created certain charge on my income, which I shall not, I am afraid, be free

from for some years to come even getting the income I now do.

Under the above circumstances I beg to appeal to the mercy of the Government to take my case into their special benevolent consideration and save me from the evils which without Government's compassion I shall surely be exposed to.

In the margin I quote two cases within my memory in which the Government have shown a concession.

I beg to submit that I have rendered in all 25 years' service as per Memo. hereunder appended.

With gratitude in anticipation,
I beg to remain,
Sir,
Your most obedient servant
P. Choelsalingam Pillai
late Supervisor of the Mysore Govt. Stamp Manufy.

Police Inspector Wm. O'Connell served the Mysore Govt. for 15 years, 11 months and 3 days and the pension earned by him was for 13 years only Rs. 19-13-3 per mensem. In his case the Govt. were pleased to grant him Rs. 50/- per mensem accepting the average salary as Rs. 150/- and reckoning 3 years of the British service for purposes of the Mysore Pension as a special case.

Mr. J. Montgomerie late Circular of the Chamarajendra Talook was retired from the service in March 1894. In consideration of his long service the Govt. were pleased to grant an enhanced pension in this case as from 1st April 1896.

Dear [illegible] Pillai

I have spoken already to Mr. Abdul Rymen Sab.: He is going to start the manufacture of stamps required for the Mysore State. Formerly this work was done in the Madras stamps office under Deputy Collector Mr. Kalliana Sundram Chettiar. Now the Machines &c are transferred to Bangalore and we want to manufacture our own stamps.

Mr. Abdul Ryman wants a most trustworthy person as Supervisor - the pay will probably be Rs 60/- which if you are appointed, can be drawn in addition to your pension - Some Security has to be given - this I can manage for you - If you are willing to take up this appointment on probation, which thing will be worked temporarily, and, at the end of 6 months or so, a permanent Establishment will have to be formed on somewhat a higher Scale - when, if you give satisfaction, you may get something better - In the event of your agreeing to take up the appointment - which I will advise you to do as a temparary measure please Come up at once - and report yourself to Mr. Abdul Ryman Sab.

I have spoken to the Acting Chief Secretary about your Son and, for the present, he will get an offer of ~~Rs~~ 50/- in the Devan's office to work under me in the Police and judicial Branch. you had better Come up to Bangalore with your Son so that, both of you may get appointments Simultaneously.

Please see the Deputy Collector Mr. Kalliana Sundram Chettiar with my Compliments, showing this note if necessary, and kindly get all the information necessary about the manufacture of stamps for Mysore. If there are one or two

I have perused the Copy of your Memorial to Mr. Krishna Murti C. I. E. which I received from you with a request that I will support your prayers.

Now that I am not in office, it would be presumptions on my part to interfere. There I settled and was doing business in the Foster Press as a Manager under an agreement with the Proprietor of the Firm and was also conducting a Paper called the "Indian Police and Magistracy".

"I have spoken to the Acting Chief Secretary "about your son and, for the present, he will get an "offer of Rs.50/- in the Dewan's Office to work under "me in the Police and Judicial Branch. You had better "come up to Bangalore <u>with your son</u>, so that both of "you may get appointments simultaneously.

"Please see the Deputy Collector Mr.Kalliana "Sundram Chettiar with my compliments, showing this "note if necessary and kindly get all the information "necessary about the manufacture of Stamps for Mysore. "If there are one or two smart workmen who understand "the Stamp Manufacture you may bring them with you "settling their salaries as shewn under :-

"1 Press Foreman on Rs.20/- or Rs.25/-

"2 Assistant Press Foreman and Counters on Rs.10/- each."

Yours sincerely,
(Signed) T. R. Thumboo Chetty.

7. According to the order conveyed in the letter I saw the Deputy Collector Mr. Kalyanasoondram Chettiar and got all the information in connection with the business and induced a Foreman and a Pressman of a Firm and brought them with me to work up the Mysore Government Stamp Manufactory.

8. I entered into an Agreement with the Dewan and Councillor in Charge of the Stamp Manufactory and gave security for Rs.2,500/-. I am a man working under a Contract.

9. I got the machines put in order and commenced to work the Manufactory on the 10th April 1895.

10. I managed the Manufactory ably and skilfully

with an old machine and supplied the Urgent Indents at a time when there were heavy and pressing demands for stamps from throughout the Province.

11. I pointed out the defect in the make of the Water-Marked Papers and got them rectified.

12. I showed a considerable saving in papers by getting separate Watermarked-Papers manufactured for 64 Receipt Stamps in a sheet now in use in substitution of Court fee Water-marked papers then in use which took in only 30 Receipt Stamps.

13. I improved the Dies for the General Stamps, Court Fee Stamps and Receipt Stamps. In this connection I went to the Madras Government Public Works Stores thrice, to instruct them personally and got fresh Plates and Dies for Court Fee and Receipt Stamps and also made some other more important improvements in the Manufactory.

14. I manufactured stamps of all values from April 1895 to June 1901-1902 to the extent of Rs.66,82,114 without any hitch whatsoever.

15. Mr. Biddolph, the Deputy Auditor General when he asked me for the pay I was given(Rs.60/-) remarked about the smallness of my pittance considering the responsible nature of the work I was entrusted with, and the late Mr. Khan Bahadur Abdul Rahman promised to get me a Bonus for the good work I had done in the Manufactory to prove a sort of acknowledgment for the services I rendered in the interests of the State and he also told me that he mentioned my name to Her Highness the Maharanee Regent.

16. The late Dewan Sir K. Seshadri Iyer K.C.I.E, also promised and told me that he willdo something

after he returned, when he went to Burmah and he told me "I have done to all and your debt only is due. I "must finish it."

17. In November 1898 Mr. T. Royaloo Chetty, Treasurer, was appointed Officer in charge of the Stamp Manufactory although I was quite certain that Government will pay me not less than Rs.200/- in appreciation of my willing and honest work in the Manufactory. There was a general talk at the time that I will get the salary.

18. I have thus put in a further service of 8 years in the Mysore Government Stamp Manufactory. When I accepted the appointment on the strength of the letter of the Councillors, my ambition was, that I could easily clear the debt of nearly Rs.6000/-which I had incurred in publishing various Police Manuals for the benefit of the Police, by my savings from the enhanced pay of at least Rs.200/- per mensem which I reasonably expected after satisfactory work during the tentative period of 6 months.

Under the circumstances I respectfully beg of Your Highness to order for me a special pension of at least Rs.60/- a month in consideration of the honest work and improvements I have effected in the Stamp Manufactory, the small but timely service I have rendered to our beloved Highness Sri Chamarajendra Udayar Bahadur during the Camp of Exercise and for the loyalty which I have always in various ways evinced to the State in every sphere of my life. I beg to add that if Your Highness will be further pleased to order retrospective effect to be given to any enhanced pay that Your Highness may be pleased to fix after my period of trial, which is 6 months after

appointment, I shall be enabled to clear my debt of Rs.6,000/- and spend the rest of my life in peace and divine service for the longivity of your Highness's peaceful reign.

I beg in conclusion to submit that I am a veteran servant of the Province and knew our late beloved Maharaja from his very infancy and twice had the good fortune of personal conversation with His Highness.

Laying my pitiable case entirely at Your Highness's disposal.

I beg to remain,
Your Highness's
Most faithful & dutiful Servant,

P. Chockalingam Pillai.

Letter from the Inspector General of Police and Judicial Commissioner of Mysore, to the Secretary to the Chief Commissioner of Mysore dated 15th November 1876, No. 1707 297.

I have the honor to forward herewith a Memorial received from P. Chockalingam Pillai, Head Accountant of my Office praying for an exemption from passing the U. C. S. Examination of Madras Government.

I beg to state for the information of the Commissioner that he has given satisfaction in the discharge of his duties and is a promising and useful public servant. I therefore request that you will bring his case to the favourable consideration of the Chief Commissioner with my recommendation that the accompanying Memorial may be submitted to His Grace the Governor of Madras.

(Signed) J. D. Gordon, Inspector General of Police.

6. Your Memorialist begs to submit that he discharged his work, to the entire satisfaction of the above named Gentlemen, so much so that the late Sir James Gordon was pleased to appoint your Memorialist to the post of Head Quarter Inspector of Police in charge of the Police School at Bangalore.

Opinion expressed by the late Sir James Gordon, Inspector General of Police and Judicial Commissioner of Mysore, regarding the appointment of Head Quarter Police Inspector 15 12 77.

It was my intention to appoint to the Post of School Inspector Mr. Chockalingam Pillai now employed as Clerk (Accountant) in the Deputy Inspector General's Office. He is an intelligent man and has been preparing himself in Police Laws and Rules. I think he may do very well, But I would appoint him on probation only, and he would revert to his own appointment, if after 6 months trial, he be found unsuited to the duties of Inspector.

7. The Police Department being very congenial to your Memorialist he strove his utmost to do justice to his employment and gain the good will of his superiors. With this object he acquired a fair and satisfactory insight into the Criminal Laws and published a few books. By the aid of these he grounded the recruits well and made them thoroughly understand their work so that they may make efficient Police officers and understand the nature of their duties and responsibilities.

8. It has all along been the intention of your Memorialist ever since his appointment to the Police to improve the Department and see it brought to a thorough and efficient state. It was this that induced him to publish the under mentioned books at no little expense to him and he flatters himself in the fact that the books are now being used in a rather large scale, though not to that extent of free circulation which he thought they would have received had they obtained your Highness's formal patronage and countenance.

Canarese Police Manual with Questions and Answers.
Canarese Indian Penal Code.
English Police Manual with Questions and Answers.
Companion to the Police Manual or Criminal Code.

9. When your Memorialist was Head Accountant and Famine Beat Inspector he found that Rice was being adulterated freely by the Merchants in the trying year of famine. Those Merchants were prosecuted and convicted and order was issued by the Magistrate warning the Merchants.

The Cutwal of the Bangalore City was successfully committing extortion in famine days over the cartmen. Your Memorialist traced the offence and the Cutwal was convicted and punished.

In 1876-77 your Memorialist was deputed to do duty as a Famine Beat Inspector in addition to his duty. The work done by your Memorialist here was appreciated by Mr. Wingate, Famine Secretary and by Doctor Orr, President of the Town Municipal Commission.

10. In March 1878 your Memorialist was appointed Head Quarter School Inspector on a Salary of Rs. 100 + 15.

11. Having been convinced that the Mysore Police Officers were labouring under a great disadvantage in not having a proper guide your Memorialist compiled the following.

Canarese Police Manual with Questions and Answers in 1880. This little work has been appreciated by all Deputy Commissioners as well as by the Police Officers of the Province.

From Major R. Simpson, *Commanding 12th Regiment M. N. I.*, dated 30th January 1884.

I have great pleasure in certifying that Mr. P. Chockalingam Pillai has been of the greatest service to me in procuring carts for the Regiment on its leaving the Camp of Exercise for Pallaveram; he spared himself no trouble and made all the arrangements with the cart-men himself.

During the Camp of Exercise he was in charge of the Police and Bazaars of the 2nd Division and as far as I could judge exercised a most effective supervision over them.

I wish Mr. Chockalingam Pillai every success and hope he may obtain speedy promotion in his Department.

From Captain A. M. Walker, *Assistant Provost Marshall, 2nd Division*, dated 26th January 1884.

Head quarter Inspector Chockalingam Pillai has rendered great assistance to the Military Police, during the recent Camp of Exercise and was especially useful in maintaining order in the different Bazaars.

From His Excellency the Commander-in-Chief of Madras.

From the Secretary to the Dewan of Mysore, To the Deputy Comr: Bangalore District, dated 28th April 1884 Gl. No. 704-6/9 Forwards for information, the accompanying copy of a letter No. 168/27 dated 18th April 1884, from the Assistant to the Resident, and of its enclosure, communicating the cordial thanks of His Excellency the Commander-in-Chief of Madras for the valuable assistance rendered by the Officers of the Mysore Government to the Military Authorities during the recent Camp of Exercise.

(By Order) Signed T. Sreenivasiengar. Under Secretary.

16. *Canarese Indian Penal Code.* Your Memorialist compiled this work with great improvement. This work was also well appreciated by the Mysore Officials.

17. Your Memorialist was sent to Tumkur to preserve peace at the Railway Station on the occasion of your Highness entry into and departure from Tumkur.

Character.

Order by the Deputy Comr. Tumkur District, dated 13th August 1884.

Inspector Chockalingam Pillai from Bangalore deserves great credit for the efficient manner in which he guarded the Railway Station and its precints. The men under him behaved well and he himself was successful in preserving perfect order.

18. Your Memorialist was transferred to Tumkur District for executive duty.

Character.

From N. Kristna Morty Esq. Deputy Comr: dated 26th July 1886.

I would venture to suggest that perhaps Chockalingam Pillai may be allowed to remain where he is. He is working earnestly and with a will.

From N. Kristna Morty Esq. Deputy Comr., dated 27th July 1886. He has behaved with earnestness, energy and rectitude of character.

From Police Asst. Comr. Mr. Mahomed Ali, dated Tumkur 24th November 1886. Chockalingam Pilli always pleased me in the manner in which he did his duty and carried out the order of his superiors.

19. June 1886 your Memorialist was transferred to the Hassan District as Head Quarter Inspector of Police and in the October of the same year your Memorialist was sent to Arkulgode by the Deputy Commissioner to preserve order during Dassera and Moharam Feasts. Mr. Ananda Row appreciated his services very well.

In 1888.

20. Your Memorialist was Transferred from Hassan to Chitaldroog District as Head Quarter Inspector of Police.

21. Your Memorialist having thus submitted his case fully and in Chronological order begs to state that his service in the several departments where he worked amounts to 39 years. Of this 13 years and 4 months were spent in the service of the Mysore Government.

22. Your Memorialist begs to submit that the latter days of his life he spent in the service of our Highness to his great satisfaction. And with in view of eventually finding means for earning a decent pension with which to find the remaining part of his life, he strove his utmost to give every satisfaction.

23. Before the new pension rules came into force your Memorialist applied to the Dewan for the grant to him of one third pension by the addition

12. *Census.* In 1881 your Memorialist was appointed Supervisor for Superintending the Census in No. 1 Circle, No. 1 Division. The following letter will speak itself of my work.

Mr. P. Chockalingam Pillai Police Inspector.

From Doctor Orr, President Municipal Commission for the Town of Bangalore.
To the District Supt: of Police, Bangalore No. 696, dated 21st March 1881.

The undersigned has the honor to request, that he will be so good as to convey his best thanks to the marginally noted official in his Department who has been reported by the Municipal Commissioner of the 1st Division to have rendered general and valuable assistance in taking the General Census. Further requests that this official may be also informed that the undersigned will have great pleasure in specially bringing his services to the notice of Government.

To the Head Quarter School Inspector for his information.
The undersigned is glad to receive such a favourable report.
21st March 1881. (Signed) E. Hewetson, District Supt. of Police.

13. *English Police Manual with Questions and Answers.* In 1882 your Memorialist compiled this book also and dedicated it to the late Sir James Gordon. This work has been well appreciated by the Officers of the Mysore Province as well as by the Officers of British India and also by the Viceroy and Governor-General of India.

"Companion to the Police Manual" or Criminal Code. Your Memorialist Compiled this work and it has been appreciated by all the Officers.

In 1883.

14. *Escorting Life Convicts.* Your Memorialist was sent to Madras to bring 115 Life Convicts (Males & Females) who arrived from the Andaman Islands to Bangalore. This onerous duty your Memorialist performed to the satisfaction of Major Macintire and Doctor Benson, the then Jail Superintendent.

In 1883—84.

15. *Camp of Exercise.* Your Memorialist was deputed to the 2nd Division as Inspector of Police. How he acquitted himself here will appear from the Testimonials given him by the following Officers.

Characters.

From Major-General Prendergast, *Commanding 2nd Division,* dated 24th January 1884.

I have much pleasure in testifying to the efficient manner in which Head Quarter Inspector Chockalingam Pillai performed his duties at the Camp of Exercise.

From Colonel W. Gatacre, *Assistant Quarter Master General 2nd Division,* dated 26th January 1884.

Mr. P. Chockalingam Pillai, Head Quarter Inspector of Police, has rendered excellent service in the 2nd Division by the way in which he supplied all their wants. He has given satisfaction to all and has done his work satisfactorily.

From Major J. R. Hutchins, *Deputy Assistant Quarter Master General 2nd Division,* dated 25th January 1884.

Mr. P. Chockalingam Pillai, Head Quarter Inspector of Police, has rendered me very great assistance in many ways since the 10th December last when I first came out to the Camp of the 2nd Division. He is a very zealous, able man, and has taken very great pains to carry out his onerous duties during the time the troops have been in Camp, in a satisfactory manner.

From Captain H. H. Kelly, *Depuy Assistant Transport, 2nd Division,* dated 26th January 1884.

I have much pleasure in testifyig to the zealous and obliging manner in which Head Quarter Inspector of Police P. The Dewan however, your Memorialist regrets to state was not pleased to condescend to grant his prayer as will be seen from his order given below.

Mysore Dewan's Office-Bangalore, dated 23rd June 1888, No. 1844/161.

Endorsement.—In reply to his Memorial dated Madras 11th June 1888, P. Chockalingam Pillay, Head Quarter Inspector of Police, Chittaldroog District, is informed that the Government consider it undesirable to condone the deficiency in his service amounting to about one year and eight months as prayed for by him.

24. Your Memorialist also begs to submit that he has all along been maintaining himself and his family decently and now that his income is to be reduced to a low figure he is afraid that it will hardly suffice to meet his demands. And as he has no other source except your Highness to look to for help at such a critical time your Memorialist humbly places himself into your hands with the humble hope that your Highness will be pleased to condescend to issue an order directing the grant of a third pension to him as a special case for the deserving services rendered by him and direct also that copies of the Books published by him be used in the several Police and other Offices in the Province more especially the Manuals in Canarese.

25. For which act of kindness your Memorialist as in duty bound will ever pray.

Camp of Exercise in 1883-84.

When I was Hd. Qrs. Inspector of Police at Bangalore and while on duty at the Camp of Exercise in 1883-84 at Kristnarajpuram being entrusted with the charge of the Second Division under General Sir Harry Prendergast, His Highness the late Maharaja Sri Chamarajendra Wodiyar Bahadoor G.C.S.I. had a fall from His Horse while witnessing the Field Service and that His Highness Nose was hurt. His Highness the Maharaja with a bleeding nose immediately got on horse back and was about to start for his place of encampment, when I respectfully represented to His Excellency the Dewan, the Private Secretary Mr. Porter and others, the danger of his fainting by exposure. I escorted His Highness to His Camp with the greatest possible care and attention and frequently offering my wet handkerchief to wipe off the blood that was coming from His Highness' Nose.

I rendered this fortunate good service to His late Highness from the scene of the accident to His Highness' Tent, where I may add the late Durbar Backshie Rao Bahadoor "Rajakaryaprasaktha" A. Narasim Iyengar received His Highness and was an eye witness of my valuable services rendered to His late Highness.
